In the case of children under the age of 18 years, a parent or guardian is required to sign the application on their behalf.

Non-USA citizens may reside anywhere in the world including their home country. However, in respect of cover in the USA, certain eligibility restrictions may apply. USA citizens must reside outside the USA on their effective date and arrange to reside outside the USA for at least six months.

Please contact us for further details regarding age limits and eligibility, or refer to the Ping An GlobalSelect Policy Wording (available upon request) for full eligibility conditions and restrictions relating to cover within the USA.

**Renewal of Cover**

Ping An GlobalSelect is annually renewable and continues when renewed. Prior to the end of each 12 month period of insurance, you will receive a renewal form. You must continue to meet the eligibility requirements in order to renew. There are no medical questions at renewal, and your rate will be based upon your age and cover selection at the time of renewal - not your previous claims record.

**Money Back 'No Hassle’ Guarantee**

Upon receiving your Ping An GlobalSelect policy documents, please make sure you read them carefully. If you think your Ping An GlobalSelect plan may not meet your needs, you may cancel it by writing to us where you will receive a pro-rated refund of premium (subject to a small administration fee) if you have not filed a claim and no claims are pending. If you decide to cancel, simply return all your policy documentation to us and, as long as you have not already made a claim under the Plan, we will cancel it and promptly give you a pro-rated refund within 30 days from receipt of the documentation. No Questions Asked.

*International Healthcare Cover*

**Flexibility and Choice**

With four Ping An GlobalSelect sub-plans to choose from and a range of voluntary medical excess options, you have a wide choice of health insurance covers to suit your individual needs and budget, all of which give you the freedom to choose where you are treated within your selected geographic area of cover. In addition an optional personal accident insurance plan is also available.
Your Choice of Cover - Choosing the cover that’s best for you

Wide Range of Covers

All eligible charges for in-patient treatment are covered up to an overall maximum sum insured and, depending upon your chosen sub-plan, there is also a wide choice of cover available for out-patient treatments.

Please refer to the Schedule of Cover and Excesses and the Policy Wording (available upon request) for further details of the cover under each sub-plan.

In summary, the four Ping An GlobalSelect sub-plans are:

**HEADSTART**

The Ping An GlobalSelect HeadStart℠ sub-plan is very affordable ‘entry level’ medical insurance designed to get you to see a consultant or specialist privately and quickly - whether before or after hospital admission, or following out-patient surgery.

- Allows you to receive the private in-patient treatment you need, when you need it, as well as out-patient surgery, cancer tests and MRI/CT scans
- Includes emergency evacuation and repatriation to the nearest medical facility within your geographic area of cover
- “Go private” and avoid having to suffer unnecessary or long waiting lists

**BASIC**

The Ping An GlobalSelect Basic℠ sub-plan is affordable and effective medical insurance that gives you higher limits and more sections of cover than HeadStart. As well as in-patient treatment, out-patient surgery, cancer tests and MRI/CT scans, the Basic sub-plan provides a wide range of additional covers, including:

- Family doctor fees, treatment, referrals and prescribed medicines relating to pre and post hospital treatment
- Major organ transplant
- Physiotherapy
- Homeopathic and osteopathic treatments
- Home nursing
- Compassionate visits
- Stabilisation of an acute episode of a chronic medical condition

Limited worldwide accident and emergency cover is also available under the Basic sub-plan if you travel outside your geographic area of cover. What’s more, if declared and accepted, limited cover can even be included for pre-existing medical conditions following 24 months continuous cover under the Ping An GlobalSelect plan.

**STANDARD**

The Ping An GlobalSelect Standard℠ sub-plan offers significantly wider and increased benefits compared with the Basic sub-plan, with extensive cover for family doctor treatment and prescribed medicines, including additional benefits for:

- Complementary medical treatment
- AIDS/HIV treatment
- Hormone Replacement Therapy (early onset)
- Rehabilitation and Hospice Care
- Psychiatric treatment
- Annual health and wellness check ups for adults and children
- …and much more!

Cover is also available for declared and accepted pre-existing conditions and ongoing chronic and palliative treatment, after 24 months continuous cover. You can elect to have eligible treatment in the USA within our network of providers.

**EXECUTIVE**

The Ping An GlobalSelect Executive℠ sub-plan offers you some of the highest limits of cover and the widest range of premier international medical insurance covers available anywhere in the world today. The Executive sub-plan provides all the covers above and more, including:

- Vision contribution benefit
- Routine dental treatment (after 6 months continuous cover)
- Restorative dental treatment (after 12 months continuous cover)
- An extensive range of maternity covers (after 12 months continuous cover)
Family Cover - Free Cover for First Child Under 10 Years

Families applying for the Ping An GlobalSelect plan will receive free cover for the first eligible dependent child aged between 14 days and 9 years - when at least one parent is insured under the Ping An GlobalSelect plan. All persons applying must be listed on the initial application form.

A Choice of Excesses

A standard excess is the first amount of a claim payable by you before any benefits are paid under the plan. There is only one excess per medical condition per period of insurance.

The Schedule of Cover and Excesses identifies the Standard Excess that applies to your chosen Ping An GlobalSelect sub-plan. There is also a range of optional voluntary medical excesses available to you and your family:

- On the Standard and Executive sub-plans, for a small increase in premium you may choose to reduce your excess from that of the standard excess.
- Alternatively, you may choose to increase the excess above that of the standard excess and this will result in a reduction in your standard premium of up to 45% depending upon the increased excess you select.

Choosing Your Geographic Area of Cover

By restricting your cover to certain geographic areas you can reduce the premium you pay. With the Ping An GlobalSelect plan you have a choice of three different geographic areas of cover:

1. AREA ONE
   EUROPE INCLUDING:
   Albania, Andorra, Armenia, Austria, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Canary Islands, Channel Islands, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Gibraltar, Greece, Greenland, Holland, Hungary, Iceland, Ireland, Italy, Jersey, Kazakhstan, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Madeira, Malta, Moldova, Monaco, Netherlands, Norway, Poland, Portugal, Romania, Russian Federation, San Marino, Serbia, the Slovak Republic, Slovenia, Spain (including the Balearics and Canary Islands), Sweden, Switzerland, Tajikistan, Turkey, Turkmenistan, Ukraine, United Kingdom, Uzbekistan, the Vatican City and Yugoslavia.

2. AREA TWO
   WORLDWIDE, EXCLUDING USA/CANADA

3. AREA THREE
   WORLDWIDE

Worldwide Accident and Emergency Out of Area Cover

Your sub-plan may also allow restricted Worldwide Accident and Emergency cover outside your chosen Area of Cover for up to a specific monetary limit of cover and to a maximum number of days per year. This is particularly beneficial if you travel out of your geographic area of cover frequently on short trips or decide to go abroad on holiday - refer to the Schedule of Cover and Excesses for further details.
**Cover for Pre-Existing Medical Conditions**

After cover has been in effect for 24 continuous months under a Ping An GlobalSelect Basic, Standard or Executive sub-plan, (unless we advise otherwise in writing) - an Insured Person is provided with cover up to the annual and life time limits (relevant to his or her chosen sub-plan) for eligible declared and accepted pre-existing medical conditions,* subject to the terms and conditions of the Policy Wording.

(Note : No cover exists for pre-existing medical conditions under the GlobalSelect HeadStart sub-plan)

This benefit is payable **whether or not** you have received consultation or treatment for the condition(s) during the 24 month period. This is important because very few pre-existing conditions remain free from consultation or treatment, and therefore do not typically qualify for any cover at all under most other companies’ standard policies.

If you fully disclose a pre-existing medical condition at the time of application, and we accept you into the Ping An GlobalSelect plan, you will be covered for eligible charges subject to the limits and terms* of the plan.

*See Policy Wording for definition of “pre-existing conditions” and a complete list of exclusions and limitations and other specific terms and conditions. Available upon request.

**Other Exclusions and Limitations**

As with all medical insurances, there are certain costs, expenses, conditions and claims which are not covered by the Ping An GlobalSelect plan. Please refer to the Schedule of Cover and Excesses applicable to your chosen sub-plan which should be read in conjunction with the full Policy Wording (available upon request) in order to obtain a definition of pre-existing conditions and a complete list of terms, conditions and exclusions relevant to your chosen sub-plan.

Charges for the following illnesses, conditions and surgical procedures which exist, manifest themselves or are treated or have treatment recommended during the first 90 days of cover from the effective date are excluded from cover: tonsillectomy, adenoidectomy, haemorrhoids or haemorrhoidectomy, any disorder of the reproductive system, hysterectomy, hernia, intervertebral disc disease, gall stones or kidney stones, any condition of the breast, any condition of the prostate. Please note charges for the above may be further limited or excluded under the pre-existing condition exclusion and/or the chronic condition limitation.

With a Ping An GlobalSelect plan, you have access to ‘first class’ service from helpful customer service staff and claims professionals located at Chinese, European or United States based administration centres – all backed by a medical team, available seven days a week for emergencies, medical evacuations and pre-certification.

Wherever you are in the world, you are never more than a phone call away from fast, friendly and efficient service – giving you the true confidence and security that you deserve.

**Efficient Claim Settlement**

Your claims will be settled efficiently, and in most cases if you are admitted to hospital our administrators can arrange to pay the hospital or medical provider direct. Once your application for your Ping An GlobalSelect plan is approved, you will receive a fulfilment kit which includes a Ping An GlobalSelect identification card and claim forms. When you receive treatment, original itemised bills must be received by our administrators within 90 days of services. Refer to your Policy Wording and claim form for further claims submission and settlement information.

**Pre-certification**

For many of the benefits under your Ping An GlobalSelect plan you are required to seek Pre-certification from our administrators as soon as possible and always PRIOR to incurring cost or undertaking any medical treatment or before being admitted to hospital (except in an emergency situation, in which event we should be informed within 48 hours or as soon as reasonably possible).

Pre-certification may be undertaken by an insured person, the medical practitioner, hospital administrator or a relative - subject to all information being available and verifiable. Your Policy Wording contains important terms, conditions and instructions on Pre-certification procedures. Please ensure you carefully adhere to these. Failure to follow Pre-certification procedures may invalidate your claim or in certain circumstances result in a loss or reduction of cover.

如何选择您的保障

选择最适合您的保障内容

可承受的免赔额

免赔额为被保险人在每次医疗赔偿中，必须自付的数额。被保险人在每保单年度的每一个病
例中，只须付一次免赔额。在保障计划表及免赔额列表中，已清楚识别平全球医疗保险每
一予计划中的标准免赔额。申请人可按由自己可承受的免赔额，从一系列的选择中，选取适合
的免赔额：

■ 在Standard（标准）及Executive（高级）子计划中，只要增加少量保费，便可把免赔额
减低。
■ 您也可选择把免赔额从标准的数额增加，这样您所需要付的保费，最多可递减至原
保费的百份之四十五。

作短途旅程或旅游的人士，尤其有好处；详情请参考保障计划表及免赔额列表。
保障包含既往症责任

在被保险人就Basic（基本）、Standard（标准）及Executive（高级）子计划中的保障范围，于本公司连续受保24个月后（除非我们另以书面通知），本公司负责赔偿(按照被保险人所选择的子计划) 与该声明的既往症*直接相关的合理必要费用，保险金额以保障计划表载明的子限额和终生限额为限。

(备注：此保障并不适用于平安全球医疗保险 Headstart (初级) 子计划。)

此保单并不受限于被保险人于连续受保的四十八个月内，有否接受诊断或治疗。这是尤为重要的，因为甚至已存在的疾病，是不需要继续的诊断及治疗的；此责任也是在市场上同类的产品中少有承保的责任；未尽事宜请参考条款描述。

如果您已于投保申请书中书面声明您的既往症且本公司接受并书面同意承保，本公司负责赔偿与该声明的既往症*直接相关的合理必要费用。

*详细有关既往症的释义，除外责任和赔偿限额，以及其他特别说明请见保险条款，可按您的需要提供。

其它除外责任

与市场上其它类同的医疗计划一样，有某些责任是我们的平安全球医疗保险中不包含的。详情请参考平安全球医疗保险的保险条款(可按您的要求提供)以及您所选择子计划对应的保障计划表及免赔额列表，以便了解「既往症」的定义、除外责任的详情及其其它条款规定的内容。

在本合同生效之日起九十日内存在、被发现、正在治疗或建议治疗的下列疾病，本公司不赔偿由其引起的任何费用：乳房或前列腺的任何医疗症状、扁桃体切除术、增殖腺切除术、痔疮或痔切除术，生殖系统的任何失常，子宫切除术，疝气、椎间盘疾病、胆结石或肾结石。相关条款可能会对上述各疾病作进一步限制或除外。

事先同意

在我们的医疗计划中，有某些保障是需要受保者在接受治疗前或进入医院受诊治时，尽快通知我们，以便我们能确认此治疗费用并印发「证明书」作为代付费用的证明(紧急情况下除外，但亦需要在事后四十八小时内通知我们，或在情况许可下尽快通知我们)。

只要所提供的资料正确并经查核，「事先同意」申请可以由被保险人本人、被保险人的主诊医生、医疗机构的管理人员，或是被保险人的亲人提出申请。有关申请「事先同意」的步骤，请参阅随函保单文件中的详细条款、条件及指引。请务必按此步骤申请，以免有所延误。若被保险人没有按此步骤申请，一经发现，可能会导致索赔无效；甚至在某些情况下，会导致保障被递减或丧失保障。
